

Let the Good Times Roll with

BellaBOCCESM

"The exceptional democratic spirit of the game of Bocce is the basis on which its deeply peaceful character is founded. It is often the beginning of lasting freindships."

"Qualities of The Game of "Bocce"." United States Bocce Federation. URL: <http://www.bocce.com/gamequalities.htm> (31 Mar. 2003).

Why Bocce?

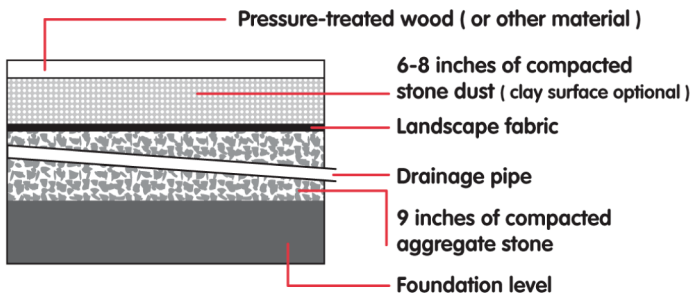

One of the world's oldest and most popular games, bocce is enjoyed by young and old, male and female alike. It is easy to learn and fun to play. Add good food and drink, a place to sit and watch (or even heckle a little!), and your bocce court becomes an outdoor entertainment center, bringing friends, neighbors, and family together for great times.

Why BellaBocce?

It's simple. BellaBocce makes it all happen. We custom design, build, and outfit your court: whether you are integrating one into your current landscape, or are developing your own "outdoor room" with a bocce court as a focal point. Sizing, terrain and drainage, finishing materials, plantings, lighting, furniture: everything you need done, we can do.

"Bella Boccia!", especially in Tuscany, is an exclamation that means "Good Shot!"

Court Cross-Section

Bringing it All Together

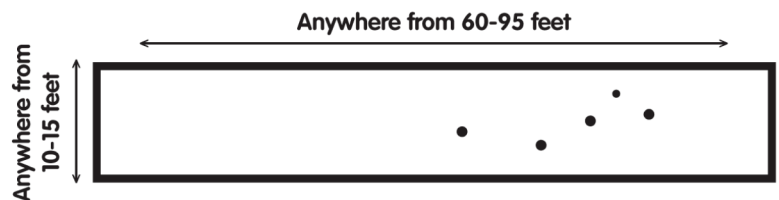

BellaBocce is a division of Lindquist Landscape Design which has been designing and installing quality landscapes in Fairfield County since 1993. We have the expertise to create the perfect setting for your court; custom designed gardens and ornamentation; lighting -- so you can play into the night; stone work -- such as patios, walls and steps.

To complete your 'outdoor room', we partner with designers (yours or ours), to guide your selection of tables, benches, fire pits, and accents that will make your court a centerpiece for entertaining.

Getting Started

- You will need a minimum 60' X 10' area that can be leveled for an official size bocce court. Courts can go up to 95' X 15', but 60' is long enough to enjoy a good game. 76' X 12' is another popular size. Beyond that, naturally, you will want to consider seating or gathering areas, both to watch the game and to provide space for entertaining.
- Call BellaBocce for an initial consultation.
